Reviews

Absolutely essential go through publication. It is filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dr. Sierra Lowe Sr.)

A BEGINNER S GUIDE TO ME / CFS

Lifelight Publishing, United Kingdom, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.THE MOST DANGEROUS FALSE ILLNESS BELIEFS ABOUT ME/CFS ARE THAT IT IS A PSYCHIATRIC PROBLEM, AND THAT EXERCISE WILL HELP. The Beginner s Guide to ME/CFS states unequivocally that it is complete rest from the very beginning of this illness which creates the necessary precondition for progress towards recovery. Currently recommended treatments - Cognitive Behaviour Therapy and Graded Exercise Therapy - can wipe out this possibility, sending patients down a path towards severe and long-term disability - for which the patient can then be blamed. The Guide contains useful advice about how to maintain a semblance of normal living while conserving physical exertion. Les Simpson s research - ignored by the medical community - provides additional recommendations which can improve your well-being.
