We are thinking about this from the customers perspective. What do they need to do their job. What do they need to grow their businesses and how can the mail process help that. I think if we continue to look at things like that, improved could be significant mitigation of volume decline. Most businesses face issues like this in one form or another. It may not be the same drivers, but most businesses are faced with issues where either different technology or different competitors come in and create this type of problem. There has to be creative thinking as how to overcome it. That is why I think that it is so important that in the Postal Re-form Bill, we review the impact the total legislative package has on the...
