Brand New Book ***** Print on Demand *****.Online Business Economics, Marketing Junk, and Book Publishing This book teaches you how to determine the valuableness of any item so that you can decide whether or not to buy it in order to sell it for hundreds or thousands of dollars each on websites like EBay and Amazon. This book teaches you how to quickly find more valuable stuff in higher quantities, while paying less than a dollar per item for everything you sell for a hundred dollars each online. You will learn what to buy, at what prices, and how much to sell these items for. You will learn about marketing your items using various websites to increase traffic to your online stores and businesses. You will learn how to sell anything: whether it is a lumpy brown rock, a used VHS tape, or an artwork-for twenty five dollars each, for sixty dollars each, or for nearly a hundred dollars each. You will learn how to discover what MILLIONS of different types of items have ACTUALLY HISTORICALLY SOLD FOR in every category of item that exists on planet...
