Normal people are stressed, overwhelmed, and exhausted. Many of their relationships are, at best, strained and, in most cases, just surviving. Even though we live in one of the most prosperous places on earth, normal is still living paycheck to paycheck and never getting ahead. Lust and frequent 'casual' sex are far more common than purity and a healthy married sex life. And when it comes to God, the majority believe in him, but the teachings of Scripture rarely make it into their everyday lives. Simply put, normal isn't working. In this six-session, video-based study, Groeschel's WEIRD views will help you break free from the norm to lead a radically abnormal (and endlessly more fulfilling) life. Designed for use with the Weird DVD.
