ROAD DOG (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When Moses and I hit the road, it was scary, demanding and a shit ton of fun. Fierce storms, terrifying fog, icy roads, uncontrollable laughter, and oftentimes far too much alcohol. Without that big old dog I m not sure how I would ve survived. - Kelley Baker With no distributor interested in his independent films, Kelley Baker, the Angry Filmmaker, ripped a page out of the punk rock handbook and went looking for his audience in a used minivan with his faithful 120 pound Chocolate Lab, Moses. Every fall and spring they traveled the country showing his films at art house theaters, film festivals, colleges, and biker bars. Logging over two hundred thousand miles, they encountered a collection of Fellini-esque characters including two hyper-intellectual pro wrestlers in West Virginia, a lying Chicago hotel desk clerk who cost Kelley his home, civil rights workers knocking back rum at Hank Williams grave, and a way overzealous drug sniffing border patrol dog outside El Paso, Texas. Kelley gave an audio workshop for employees of a porn channel, got yelled at in a haunted bar in Memphis, was asked to leave the Prayer Tower at Oral Roberts University, and drove twenty-four hundred miles in three days so he wouldn t miss his daughter s choir recital. Moses swam in two oceans, fifteen lakes, and enthusiastically marked thousands of spots from sea to shining sea. At the end of it all they found a lot more than an audience.
