Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There are always two sides to every story. If you liked *Calculated*, you're going to love *Driven*, book #2 in the *Discovered* series! Using a mirrored plot technique, this fast-paced, page-turning story goes behind the scenes in book #1 to show everything as it happened from the antagonists' point of view. The mysteries are revealed as readers discover who the true allies were, and who ultimately fell into the trap of blackmail and deception. Friends betray friends, law enforcement switches sides, and the characters begin to realize that not everything is as it originally seemed - especially Mara Winsor. Mara, who portrayed herself as a victim in the massive murder cover-up scheme in book one, reemerges in *Driven* as a woman bent on revenge. When everything was taken away from her at such a young age - her family, her friends, her inheritance, her faith - she began devising a plan that would avenge her circumstances and punish everyone who had a hand in destroying her life. Now in a position to see that plan come to fruition, she skillfully maneuvers all the pawns on her chessboard with twist after dark twist to feed her drive for retribution. Ultimately, it's left for the readers to decide if Mara is merely a sympathetic victim of circumstance, or truly a psychotic elitist.
