Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NATURE NOTES

Paperback. Book Condition: New. Not Signed; Spending time outdoors is one of life's greatest pleasures - now you can keep a note of all the wonderful animals and plants you encounter on your adventures. That's where this excellent journal comes in. Using the specially designed pages you'll be able to note down all those special sightings - which birds, animals and insects you spotted and where - and make a wishlist of nature hotspots to visit so you can be organized and get the most out of your time spent outdoors. There are enough pages to record a whole year of trips into nature, with both lined and blank pages for notes, drawings, plant pressings and bark rubbings. The journal contains special paper to press your flowers. Also included is a pocket and plastic sleeve to store anything small you might collect, from feathers to leaves - all the bits and pieces to help you remember all those special walks. book.
