Companies are increasingly recognizing the importance of applying a full-systems perspective in using their communication tools. The aim is to set the overall communication budget and the right allocation of funds to each communication tool. Web marketing is becoming a more and more vital component of a firm's marketing budget and therefore demands sensible and rational consideration and planning. It is vital for organizations that are considering an Internet marketing strategy to effectively coordinate each component. The bottom line is that organizations are putting themselves in the global marketplace. It is thus important for organizations to be critical of what works well and what meets their needs with an...
