PANDEMICS: WHAT EVERYONE NEEDS TO KNOW (R) (PAPERBACK)

Oxford University Press, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. From HIV to H1N1, pandemics pose one of the greatest threats to global health in the twenty-first century. Defined as epidemics of infectious disease across large geographic areas, pandemics can disseminate globally with incredible speed as humans and goods move faster than ever before. While vaccines, drugs, quarantine, and education can reduce the severity of many outbreaks, factors such as global warming, population density, and...

Reviews

The book is fantastic and great. It is filled with wisdom and knowledge I am just easily will get a enjoyment of looking at a composed publication.

-- **Bradley Hahn**

It in just one of my personal favorite book. I was able to comprehended every little thing out of this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
