Brand New Book ***** Print on Demand *****.Excerpt from The North Dakota Industrial Program: A Report on the Organization and Progress of the North Dakota State Industries, and the Administration of Related Laws, Protecting and Promoting Agriculture and Other Industries in the State, Enacted and Established by the Sixteenth Session of the North D The North Dakota system of state industries was created by the Sixteenth Session of the State Legislature in response to a demand on the part of the people that had been growing in insistence for more than ten years. The pioneers of North Dakota had been exploited by land speculators, transportation monopolists, loan sharks and elevator and milling combines practically since the earliest settlement of the State. Partial victories against railway monopolies had been secured, in common with other states, nearly twenty years earlier, resulting in the passage of the Sherman Anti-Trust law, which was followed by other acts of Congress aiming to prevent railway discrimination and to curtail extortionate transportation charges. In North Dakota, as elsewhere throughout the great grain growing states, oppressive monopoly centered in the ownership of...
