Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Oxford of Today: A Manual for Prospective Rhodes Scholars The chief aim of this book is to present in a concise, accurate and readable form the more important facts about Oxford University which are of interest particularly to prospective Rhodes Scholars and generally to the academical public. It is in a measure a descendant of a smaller volume written and compiled in 1907 by two American Rhodes Scholars, R. F. Scholz and S. K. Hornbeck, and entitled, Oxford and the Rhodes Scholarships. At that time the Rhodes Scholarships had been in operation but three years. Messrs. Scholz and Hornbeck creditably performed a valuable service in thus making available to prospective American students much information about the University which had been theretofore obtainable only with difficulty, if at all. Their book was published by the Oxford University Press in an edition long since exhausted. Another volume which formerly set forth many of the facts herein presented was the Oxford University Handbook, a semi-official publication issued from time to time by the Oxford University Press. The last edition (1914) is now out of print. Since 1914 many changes have occurred at Oxford. To name but two: Greek is no longer an absolute requirement for admission; and women students (previously admitted only to lectures and examinations) have now full University privileges and may receive degrees. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
