DON T LEAVE IT ALL TO THE TEACHERS

Xulon Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book stems from thirty-two years in teaching. It aims to take parents into the child s learning environment without the stress which some parents have of schools and teachers and to show them some key aspects of schooling which can have a lasting effect on a child s education and life chances. I do not intend to lecture to parents on how they ought to bring up their children. Instead, I merely set out to provide them with some of the tools with which to enhance their children s success at school: a kind of tool-kit. It is not meant to be a blueprint for success but an aid to success. Here are some of the topics covered Preparing the child for primary secondary transfer Going beyond the parents-evening Schoolwork, homework and teacher expectation Seeing the home as an extension of the school Family values and how they influence a child s schooling How to be a Positive Parental Role-model The book is written in a style and language and with illustrations that make it easily accessible to parents of all ethnic communities. I am an experienced teacher in secondary schools in London UK. I am also a retired Head Teacher of a Secondary...
