Very many are seeking for light upon these Lessons from every available source. Whilst desiring to understand the text critically, they wish also to catch the purport, the lessons, the very spirit, of the divine word. It is to aid these earnest students that this volume of Half Hours with the Lessons has been prepared and is now sent forth. In it, men eminent for power in the pulpit gather around the sacred narrative comment and application, instructing the understanding and warming the heart, and thus guiding the Bible-teacher to trains of thought and feeling that will fit him for his high calling. May it be blessed to many, both teachers and taught! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
