

The Tibetan Book of the Dead: Liberation Through Understanding in the Between

By H.H. the Dalai Lama, Foreword by Thurman, Robert A.F., Translator.

HarperCollins. 1 Paperback(s), 2012. soft. Book Condition: New. "The Dalai Lama's blessing attends Thurman's translation of the Book of Natural Liberation Through Understanding in the Between. Composed by Padma Sambhava in the late 8th century, this text minutely describes the 'betweens' (Bardos) or after-death transition states. Thurman, who opens this work with a new section of preliminary prayers, gives a helpful commentary in terms Westerners can understand and boldface portions to be read aloud in the presence of the dead. He closes by appending Nyingma tradition works to the main text. Westerners will find this a colorful, awesome journey."Library Journal 278.

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

-- **Dr. Sarai Fisher DDS**

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
