

The Dark Legend of the Foreigner (Paperback)

Filesize: 5.26 MB

Reviews

Completely essential read ebook. It is among the most awesome book i actually have read. I am very happy to explain how this is basically the greatest book i actually have read in my individual existence and might be he best pdf for possibly.
(Prof. Alexandro Runolfsson)

THE DARK LEGEND OF THE FOREIGNER (PAPERBACK)

Liferich, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 17th century Japan, a battle between the shoguns and the Lees raged for a lengthy period of time. The shoguns wanted the Lees to come join their elite army, but the Lees remained neutral and peaceful people. After much harassing, the husband and wife became supreme warriors. The Lees began killing whatever shoguns threatened them. After a particularly violent, gruesome battle with the shoguns, the Lees disappeared into the Oakla Mountains for about twenty years . The mastermind, an ancient wizard siding with the shoguns, commanded what was left of the shoguns to patrol the mountains of Oakla trying to find the Lees. Decades would pass. In those twenty long years, the Lees raised a son who would become known as the Master. Phenomenal genetics would breed an individual who became a far better warrior and stronger fighter than both of his parents put together. In the Master's infantile years, the mother and father went up on the mountains of Oakla, similar to Moses summoning of God, where they asked their God for a sacrifice. He answered, and in return of this sacrifice, he would give their extraordinary son, the Master, the power of immortality in the form of Five Scrolls of Terror. Their God asked for the skin from their baby's head, a threatening request, but would ultimately create a child who would grow into that of the Master: the Skulled Warrior. As the Lees returned from Oakla on that twentieth or so year, they got ambushed and killed-an attack decades in the making. When the Master found the bodies of his parents, he naturally flew into a blind rage and killed many shoguns, slaughtering anyone who stood in his way....
