Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Those who buy their ink in little stone jugs may prefer to do so because the pottle reminds them of cruiskeen lawn or ginger beer (with its wire-bound cork), but they miss a noble delight. Ink should be bought in the tall, blue glass, quart bottle (with the ingenious non-drip spout), and once every three weeks or so, when you fill your ink-well, it is your privilege to elevate the flask against the brightness of a window, and meditate (with a breath of sadness) on the joys and problems that sacred fluid holds in solution. How blue it shines toward the light! Blue as lupin or larkspur, or cornflower-eye, and even so blue art thou, my scriven, to think how far the written page falls short of the bright ecstasy of thy dream! In the bottle, what magnificence of unpenned stuff lies cool and liquid: what fluency of essay, what fonts of song. As the bottle glints, blue as a squill or a hyacinth, blue as the meadows of Elysium or the eyes of girls loved by young poets, meseems the racing pen might almost gain upon the thoughts that are turning the bend in the road. A jolly throng, those thoughts: I can see them talking and laughing together. But when pen reaches the road s turning, the thoughts are gone far ahead: their delicate figures are silhouettes against the sky.
