### **Reviews**

*This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.*

**(Norma Carroll)**

## STRATEGIC CHALLENGES FOR AUSTRIAN UNIVERSITIES WITH A SPECIAL EMPHASIS ON VIENNA 2010 AD

GRIN Verlag, United States, 2013. Paperback. Book Condition: New. Auflage.. 210 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Scientific Study from the year 2009 in the subject Law - Comparative Legal Systems, Comparative Law, Vienna University of Economics and Business (Institut für Rechtsphilosophie, Religions- und Kulturrecht), course: Against white -washing shadows of philosophers in ethics lectures/courses, language: English, comment: Which challenges should Austrian universities face, especially on the field of ethics? Does the way of presenting influential historical personalities in the field of ethics without mentioning sad aspects, uncritical, racist, misogynist, and antisemitic texts (e.g. with respect to philosopher I. KANT), enhance trust in (legal and managerial) ethics amp, its teachers? Where is the intercultural ethics approach in Austria? These questions are also asked with respect to Austrian universities, also e.g. the legal ethics departement at the University of Vienna, or the WU WIEN, with ideas pro futuro., abstract: At universities, students are often presented (almost) semi-divine personalities, be it KANT, be it HEGEL, be it HUME, be it other important, influential thinkers, especially in the field of - so called - ethics, be it e.g. so called management ethics, be it so called legal ethics. Some of these students are simply one thing: fed up with the way of in fact almost glorifying (!) these men. It remains the job of at least some people to at least partially critically (re-)think what and how things are presented to students. Vienna, a city of critically thinking men and women? Vienna, a city, in which e.g. Immanuel KANT is (also!) presented in a (more) critical manner, e.g. with respect to KANT s views e.g. on women, Afro-americans, Jews? Vienna, a city, in which also a so called faculty of law exists in which (some!) legal...
