Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Poultry-Keeping and How to Make It Pay United Kingdom; an impetus and attention which cannot fail to be beneficial in the long run to the country at large. The beginner in poultry-keeping would be well advised to start with a few fowls rather than a large number. If he learns to manage half-a-dozen or a dozen in a manner advantageous, to himself and to the fowls, then he may safely go in for almost any number he pleases. There is more money to be made out of a dozen birds properly managed, than from twice that number kept in haphazard and more or less neglectful fashion. In poultry-keeping, as in almost everything else, there is a right and a wrong method, and if fowls are to pay, or be kept with success, they must be looked after in the right way. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
