## Physical Features of Public School Centers: In Village and Rural Communities, Oklahoma (Classic Reprint) (Paperback)

By Unknown Author

Forgotten Books, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Physical Features of Public School Centers: In Village and Rural Communities, Oklahoma Selecting school sites and building school houses and buying equipment for school plants involves an obligation - not only of an economic character, in that stability and utility should be given due consideration; but of an educational importance, in that accepted ideas of beauty, grace and dignity should be carried out in every detail. The education of a community is affected by its landscape and its architecture. An edifice to be set apart for the cause of education, therefore, above all other public buildings in a community, should set the pace for simplicity and taste in the matter of form and design as well as in the matter of utility and permanency. The people of a community owe it not only to themselves and to their children, but to future generations to see to it that much study and care be given to the physical features of their school plant. It is With this fact in mind that the Department of Education presents this volume to...
