

7 Deadly Scenarios (Paperback)

Filesize: 1.99 MB

Reviews

This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.

Random House USA Inc, United States, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A global pandemic finds millions swarming across the U.S. border. Major American cities are leveled by black-market nukes. China's growing civil unrest ignites a global showdown. Pakistan's collapse leads to a hunt for its nuclear weapons. What if the worst that could happen actually happens? How will we respond? Are we prepared? These are the questions that Andrew F. Krepinevich asks--and answers--in this timely and often chilling book. As a military expert and consultant, Krepinevich must think the unthinkable based on the latest intelligence and geopolitical trends--and devise a response in the event our worst nightmares become reality. As riveting as a thriller, 7 Deadly Scenarios reveals the forces--both overt and covert--that are in play; the real ambitions of world powers, terrorist groups, and rogue states; and the actions and counteractions both our enemies and our allies can be expected to take--and what we must do to prepare before it's too late.
