31 ISSUES IN REVIVAL CULTURE

Xulon Press, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written for those that want revival. You know who you are. Advancing the Kingdom is your core value. You want to see the sick healed in every meeting. You want to see miracles. You desperately want to see the manifest presence of the Lord. You want to hear the voice of the Lord and you want others to hear His voice as well. You have a passion for souls and want to see multitudes saved every time you meet. You want to see hell empty, heaven full, Jesus glorified and you'll pay any price to see it happen. There are common issues and manifestations that arise during every revival. From Jonathan Edwards to John Wesley, from Azusa Street to Toronto, the same questions are heard. Every leader makes an attempt to address them, but our memory is short. Last year's revival becomes this year's denomination and the new denomination charges the next move of God with extremism. And so it goes. Revival is the natural, normal state of the church. I believe we are called to write the 29th chapter of the book of Acts. Author Bio: Rick Dalbey is a lay leader of prayer groups, healing ministries and home fellowships in the Pacific Northwest. He was educated at Portland State University and has been a business owner in Portland for the last 30 years. Born again during the heady days of revival in the Jesus People movement and the Charismatic movement, Rick has taught and led outreaches throughout the metropolitan community. His passion is to see revival once again sweep from coast to coast.
