

Are You Paying Homage to Pagan Deities in Your Everyday Dialogue

By Zebulon Ben Lewi Hedeqyah

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.An historical look at how the implementation of Contemporary Idolatry is rooted in subversive and antiquated language. What makes contemporary idolatry difficult to pinpoint is its submergence in archaic, pagan terms. The average individual lacks the educational background (and interest) to research the etymology of ancient European languages and their subsequent morphology. The Euro-Gentile is able to easily set up these old school idols, wrap them in New Age jargon and utilize the deep ignorance and lethargic attitude of the masses to further establish an anti-YAH mentality.

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

-- Austin O'Connell

I just started out reading this ebook. We have read and so i am certain that i am going to gonna study yet again again in the future. I found out this book from my dad and i encouraged this publication to find out.
