

The Parting Gift (Paperback)

By Leah Sanders, Rachel Van Dyken

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Blaine Graham lost his mother when he was the tender age of eleven. Grief over the loss drove a wedge between him and his father, and soon proved too difficult for him to deal with. At the age of sixteen, he falsified his papers and made the trip across the border into Canada with his best friend to join the Royal Canadian Air Force and enter the war in Europe as a pilot. Ten years later Captain Graham finds himself flying commercial jets in Boston - his estranged father and his past life all but forgotten, until the day he receives a telegram from his dying father asking him to come home. The persistent Mara Crawford, a live-in nurse, has experienced her fair share of loss as well. Her attachment to Blaine's father drives her desire to bring reconciliation between the two men before time runs out for her patient. But her best laid plans didn't include falling in love again.
