LID Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. This book is a call to action. If you need to know what it takes to break through to a new layer of oxygen in an organization that has been flying high in the past, you will find this both an inspiring and practical approach. Nothing will swoop down to remove your challenges, but the framework explained in this book carves a clear path toward transforming an organization, as opposed to sinking into decline. This framework is grouped around three simple steps: What s the story? Who is on board? Getting things done.
