Springer, Netherlands, 2011. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.International trade is vital to the well-being of the international market. No textbook suited virtually every nation, because no nation is my purpose, so I set about to write one. capable of satisfying its material needs beyond the subsistence level entirely from domestic My first task was to define my terms-tariffs, non-tariff barriers, shipping terminology, resources. As a nation's technology advances and education etc. As this labor progressed over many national levels improve, heavy industry and months, it became evident there was need for manufacturing are often supplanted by services-an encyclopedic reference work which focuses on industries, as evidenced by the economies caused upon international trade. My enquiries of Europe, North America, and Japan. The having divulged no similar work in English, I shift to a service economy increases import decided to concentrate efforts upon an reliance, especially in the areas of consumer encyclopedia. products and basic industrial commodities, In selecting entries, it was my intention to such as steel. This transition creates opportunities-in the form of new markets and lower terminology of the various aspects of international trade-unit costs-but also begets confrontation as international trade-marketing, taxation, shipping, lower priced imports displace domestic work-law, accounting, etc. Each entry, it is hoped, is clear, and charges of unfair competition congeal sufficiently descriptive to define the topic adequately-into protectionist policies. quately, without extraneous detail or digressions- Unfortunately, the process of international trade.
